A single-strand pearl necklace featuring a series of uniform, round, white pearls. The necklace is displayed in a circular shape against a plain white background. The clasp is a silver-toned metal toggle, consisting of a circular ring and a matching bar that fits through the ring to secure the necklace.

Thank you for selecting this sterling silver gift from Tiffany & Co. Sterling silver is a precious metal and may require cleaning from time to time. Using a small amount of silver polish on a soft cloth will remove the piece of silver several times. This will help the piece of silver retain its luster and prevent the dullness, keeping your sterling gift like new.
